PCP-1 (Expected example of an abstract presentation)

Enter the Title of Your Paper Consisting of Less Than 180 Characters, and Capitalize First Letter of Words

First Author[1], *Second Author[2], Third Author[1,2] (* indicates the presenter)

First affiliation[1] (You are kindly requested to make affiliation to consist of less than 120 characters including spaces)
Second affiliation[2] (Please make affiliation to consist of less than 120 characters including spaces)

   Enter your abstract here. The abstract should be typed in English. The text is requested to consist of less than 2,000 characters (not including spaces). You can enter subscripts (Ex: $YBa_2Cu_3O_7$), superscripts (Ex: 2×10^7) and Greek letters. You can also attach **one figure file** in JPEG (Joint Photograph Experts Group) or PNG (Portable Network Graphic) format (---.jpg or ---.png). If you want to use two figures or more, please combine them into one file (see the example below). You are asked to follow instructions in the abstract submission system.

   Abstracts should be submitted to one of the following categories.
   1) Physics and Chemistry (PC),   2) Wires and Bulk (WB),   3) Electronic Devices (ED),
   4) Large Scale System Applications (AP),   5) Plenary lecture (PL)
The deadline of abstract submission is September 16, 2020. Abstracts of all the ISS presentations will be posted on the ISS2020 website on November 24.

[1] Type references here if any.
